

Constitution of the USS Victorious

Ratified Stardate 12505.10

Admiral C. Mark Anderson, Commanding

We, as dedicated fans of Star Trek and science fiction in the greater Tampa Bay, Florida region, hereby establish an interactive Star Trek and science fiction fan organization. The organization is devoted to the promotion of the ideals, philosophies, and concepts set forth by Gene Roddenberry in Star Trek television and movies. We do ordain and establish this Constitution and the following Bylaws for the formation of our organization.

This organization is dedicated to the memory of Eugene Wesley Roddenberry (1921-1991). Without the vision of the Great Bird of the Galaxy, none of this would be possible.

This rank is honorary and may be revoked at anytime by their Department Head and/or member of the Executive Committee for any action/behavior deemed inappropriate. The Victorious is not a "baby sitting service", and the Executive Committee may determine if parental/legal guardian must be present at any or all club functions.

The petition request must include as a minimum:

- The reasons why the action is being initiated.

The Executive Committee will review the petition. If the petition is found to be in order, recall proceedings will be initiated.

The affected officer will then be given fourteen (14) days in which to challenge the recall--via any means of communication as he sees fit--at his own expense. This may include letters, e-mail, telephone contact, or meetings of his own design. The Executive Committee will set up the appropriate time table and conduct the recall vote.

A recall vote shall pass by a two-thirds (2/3) vote of the entire primary membership. This vote must also poll all primary members to record proxy/absentee votes. The Executive Committee will then inform the membership of the results of the ballot and inform the affected officer.

If the recall measure is passed, the recalled officer will have 14 days to turn over all materials of office to the Executive Committee. If the recall measure is defeated, the officer will immediately resume his duties upon notification by the Executive Committee.

Article IX AMENDMENTS, REVISION AND RENEWAL

This Constitution will be open to review annually. This Constitution must be renewed every year by the general membership.

At the April business meeting, a Constitutional Review Committee will be selected. The committee will be composed of one Executive Committee member and 20% general members not on the Executive Committee.

Any amendments or revisions may only be made during the scheduled review. This Constitution may be amended, repealed, or superseded, either in whole or in part, by submitting all proposed changes to the Committee. Any member or members wishing to amend the Constitution may submit recommendations to the Constitutional Review Committee for consideration. The Committee will report back to the membership with any proposed constitutional changes which the committee recommends. These will then be discussed and voted on by membership for ratification. The committee will have until the May business meeting to complete their business. No extensions will be allowed.

At the May business meeting, a copy of the Constitution, plus any proposed revisions, will be presented to the members. Discussion and debate will take place within a reasonable time frame. A renewal vote will occur immediately after discussion is completed. The renewal vote shall pass by a two-thirds (2/3) vote of all Primary Members. This vote may also accept proxy/absentee voting. All amendments shall take effect immediately.

This Constitution should be considered as a final document and should never be rewritten unless the volume of approved amendments reaches unmanageable proportions.
